

# HOW TO MEASURE SIZE CHARTS

A+ garments are made for comfort and ease of movement. If you're not sure what size to order, take some measurements and use our size charts on the next pages to find the right fit. For both women and men, we recommend measuring over your undergarments, not over other clothing. Wrap a tape measure comfortably around your body; don't make it too tight. You might have to have someone help you.

The fit and comfort of any garment will depend on your personal preferences, so these size charts are simply a guide. If you have questions about sizing, please call your dedicated customer service representative at 877-632-7587. We'll be happy to answer your questions!
