

FIGHT PATHOGENS WITH EVERY FIBER

CloroxPro™ Scrubs are made with BioSmart®, a patented antimicrobial fabric technology.

Each wash with bleach binds chlorine to protect fabric for up to 12 weeks.*

CLOROXPRO
TM

Many of the bacteria and viruses you come into contact with can hitchhike on your clothing — even make their way back to your patients or home to your family.

It's time to stop the free ride.

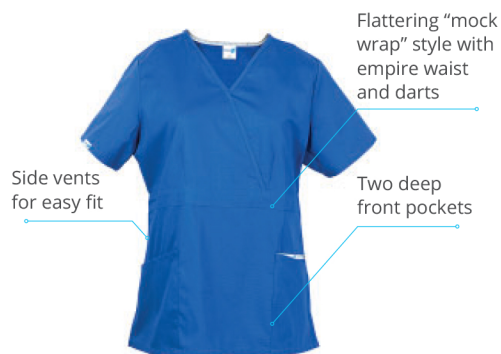

CloroxPro™ Scrubs are made with fade-resistant fabric technology, meaning you can safely launder with bleach to kill pathogens and keep the color. Dress for success, with confidence, everyday.
